USA

Important information on your security token

Dear Jane Doe:

With this letter we provide you important information on your security token:

1. the user PIN for the daily use of your token
2. the user PUK for unlocking your token and resetting your PIN in case you have entered a wrong PIN multiple times

Before continuing please check the letter's seal. Was it already broken when the letter arrived? **If yes, then please contact us immediately and do not use your security token.**

Your token

User PIN: 1 2 3 4 5 6
User PUK: 8 7 6 5 4 3 2 1

Token: PIV_II (00000000)

Here is some advice regarding your token:

- Please keep this document at a safe place.
- Please always keep your secrets separated from your token.
- We recommend you to change your PIN before using the token. Please do not use any configurations that might be easily guessed, e.g. "123456" or your birthday.
- Never share your secrets with anyone else, not even with us.

In case you have any questions or would like to give feedback please do not hesitate to contact us!

Sincerely,

Dr. Max Mustermann
